Pick Up: Your adventure begins with a convenient pick-up from your place of stay. We'll ensure you're comfortable and ready for the exploration ahead.

Snorkeling in Caves: Dive into the depths of Tiwi Beach's enchanting caves, where you'll discover a world teeming with colorful marine life. Our provided snorkels and reef shoes make this experience safe and accessible for all skill levels.

Swimming in Map of Africa Pool: After exploring the caves, enjoy a refreshing swim in the Map of Africa Pool, a natural wonder that offers a unique perspective of the African continent's shape. It's an unforgettable photo opportunity and a chance to relax in the pristine waters of this geological marvel.

Refreshment: After the adventure we will have a stop at our chillspot where you can take a fresh-water shower and enjoy a soft drink for refreshment.

Drop-off: We'll return you to your place of stay, ensuring you have cherished memories and captivating stories to share.

Note:

Pricing: All prices are set in USD. Kenyan residents will be quoted in Kenyan Shillings (KSH) based on the current exchange rate.

Tide Dependency: Please note that this excursion is tide-dependent. To ensure you have the best experience, we recommend booking at least a day in advance. This allows us to provide you with the optimal tide schedule for your journey.

Children: Children aged 0-5 years are not charged for this excursion, while children aged 6-11 years are eligible for a special rate, priced at 75% of the adult fare.
